League Notices/Reminders

- **Next Sunday I am unavailable between 2pm until later in the evening . It would help me greatly if all clubs could try to send in their results and goal scorers by 1.45 pm , that way I can update the League website and tables , then issue the Bulletin much later that evening.**
- **Clubs are reminded that when texting in your results and goalscorers and sending your Press Match Reports , please ensure you give the full names of your goalscorers and that they are the same on reported on each occasion.**
- **Clubs in Premier Division and Div's 1 & 2 and Referees on these games , please remember that you must post or drop off your Match Reports to Dave Foster, emails cannot be accepted. Also if you wish to contact him, this should be done by phone.**
- **Please remember that all clubs should enter a mark for their match referee on their Match Report each week, marks should be given out of 100. A Guide to Marking Referees can be found at the end of this Bulletin.**

GUIDE TO MARKING A REFEREE

The mark awarded by a Club must be based on the referee's overall performance. It is most important that the mark is awarded fairly and not based on isolated incidents and previous games. The referee's performance should be determined by the table below which should act as a guide for the overall mark which should be within the mark range for each standard of performance.

Mark Range	Comment
-------------------	----------------

<i>91-100</i>	<i>The referee was extremely accurate in decision making and very successfully controlled the game using management and communication skills to create an environment of fair play adding real value to the game.</i>

Notes Using a scale of up to 100 allows greater flexibility for Clubs to distinguish between different refereeing performance more accurately

A mark within each mark range can be given to reflect a referee's performance. E.g. a mark of 79 indicates a better performance than a mark of 71.

A mark between 71 and 80 represents the standard of refereeing expected.

When a mark of 60 or less is awarded an explanation must be provided to the League or Competition by completing the appropriate box on the marking form. It must include comments which could help improve the referee's future performances. Even when a referee has significant shortcomings there will be some possible aspects which should be given credit, extremely low marks should be very rare.
